KIDNEYS MUST BE RIGHT TO INSURE HEALTH

doing their work properly, the other organs cannot readily be brought back to health and strength.

When the kidneys are neglected or abused in any way, serious results are sure to follow. According to health sta-tistics, Bright's Disease, which is realtistics, Bright's Disease, which is really an advanced form of kidney trouble, caused nearly ten thousand deaths in one year, in the State of New York alone. Therefore, it is particularly necessary to pay more attention to the health of these imporant organs.

An ideal herbal compound that has had remarkable uscoess as a kidney remedy is Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

The mild and healing influence of this preparation, in most cases, is soon realized, according to sworn statements and verified testimony of those who have used the remedy. When your kidneys require attention

get Swamp-Root at once from any pharmacy. It is sold by every drug-gist in bottles of two sizes—50c and \$1.00. However, if you wish to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the Norwich Daily
